

MORE THAN WORDS®

Adapted Program

The Hanen Program® - for parents of Children with Autism Spectrum Disorder and Social Communication Difficulties

Online

MCO Lockdown? Speech therapy doesn't have to stop.

Oasis Place is excited to offer the Adapted More Than Words® program via telepractice! Grounded in extensive research, Adapted More Than Words® is an evidence-based and reputable program delivered by The Hanen Centre certified speech-language pathologists to parents and children.

Learn how to connect and engage with your child.

Learn practical strategies easily incorporated in everyday situations.

This program will offer you:

-  A safe space to learn and share in group sessions
-  1:1 individualised therapist-guided sessions

Help your child achieve the following goals:

-  1. Improved social communication
-  2. Improved back-and-forth interactions
-  3. Improved play skills
